In celebration of its 63rd anniversary, Faculty of Economics, *Universitas Sriwijaya* hosted a scientific oration ON the “Utilization of Resources Towards Sustainable Village SDGs” on June 11, 2023. Universities played a crucial role in identifying and fostering village potentials. Therefore, the initial steps in promoting village economic growth initiated by the Faculty of Economics was crucial. This was also in line with the central theme of the event, “**Collaboration and Synergism to Sustainable Excellence**”.
